BRIGHT IDEAS

The Livingston Student Center presents
"Diversity in the American Community", its annual
 Spring Semester celebration of the Livingston
 College motto, "Strength through Diversity".

Spring 1991 highlights diversity in the traditions of New Orleans, a modern city rich in cultural and historic traditions, struggling to keep its economic and cultural strength.

Look for events and a display of artwork in College Hall throughout the semester. **Cultural Connection** events are marked with a special symbol (✳) on this calendar.
